

# COMPLETE SERVICE & REFURBISHMENT BY THE EXPERTS

## OUR PROMISE TO YOU:

- By coming to BPL for your service and refurbishment needs, you are guaranteed that your pumps will be thoroughly overhauled and tested by experts with specialist knowledge and understanding of pumps and the water & waste water industry.
- Your pumps will be cleaned, dismantled and a written report prepared. Damaged or worn parts are replaced as part of our package. After refurbishment, the pumps can be performance tested in our fully equipped facility. We can assist with removal from site and re-installation if required. All work undertaken comes with a **12 MONTH WARRANTY.**
- We offer competitive rates and rapid turn-around times.  
From this:-

To this:-

- For pumps from other manufacturers, we will assess all component parts, replace with OEM spares or if necessary, engineer suitable replacements:-
